

**Days Out with the Portsmouth Society**

**Saturday 7 August 2010 - Architectural Bus Tour**

The Portsmouth Society will be running another of its popular tours of the city by vintage double-decker bus on Saturday 7th August. **Leaving the Guildhall Square at 9.30am**, we will be looking at new buildings, restorations and landscaping schemes including those that have featured in, or will feature in, the Portsmouth Society's Design Awards. This is an enjoyable way to see Portsmouth from a different angle and we guarantee that you'll see things and visit places that you would not normally encounter. We will alight to visit two or three sites during the tour. **We will return to Guildhall Square by 1pm.**

Please apply - by Saturday, 10 July 2010 - to:

**Bruce Oliver, 59 Chelsea Road, SOUTHSEA, Hampshire, PO5 1NH.**
